

INDEX TO STATISTICS OF MORTALITY.

PART II.

	Table.	Page.		Table.	Page.
A.			Age, Sex, and Civil Condition, Deaths from Cancer in the United States and in each Grand Group, with distinction of.	XL	567-573
Abdomen, Head, Face and Neck, Mouth, Tongue and Throat, Rectum, Upper Extremities, Lower Extremities, and other localities, Deaths from Cancer of, with distinction of Color and Sex, and Cities and Rural Districts.	XLVI	617-623	Age, Sex, and Color, Population of Grand Groups specified by.	LXII	750-763
Abortion, Child-birth, Puerperal Septicæmia, and Still-birth, as causes of death.	{	{ lxx- lxxvi xcii-xciv	Age, Sex, and Month of Death, Deaths reported by the Census enumerators in Massachusetts, exclusive of Boston, with distinction of; also those reported by the registration system of the State.	LII	640-651
Accidents and Injuries as causes of death.			Age, Sex, and Month of Death, Deaths reported by the Census enumerators, with distinction of, in New Jersey; also those reported by the registration system of the State.	LIII	653-655
After-Life Time, Mean (Expectation of Life), at various ages, based upon the Mortality of England and Wales in 1876-'80, and of Massachusetts and New Jersey during Census year.	LXVI	789-791	Age, Sex, and Nativity, and of Color in certain Grand Groups, Deaths from Cancer of the Breast in the United States, and in each Grand Group, with distinction of.	XLIII	589-597
Age and Group of Ages, Deaths at each, in 1000 deaths of each sex from Cancer, of which the ages are known, in the United States and in each Grand Group, with distinction of Color in certain Grand Groups.	XXXVII	547-549	Age, Sex, and Nativity, and of Color in certain Grand Groups, Deaths from Cancer of the Liver in the United States, and in each Grand Group, with distinction of.	XLIV	599-607
Age and Group of Ages, Deaths from Cancer at each, in the United States and in each Grand Group of certain specified Nativities, in 1000 deaths from cancer of which the ages are known.	XXXIX	561-565	Age, Sex, and Nativity, and of Color in certain Grand Groups, Deaths from Cancer of the Stomach in the United States and in each Grand Group, with distinction of.	XLII	570-587
Age and Sex, Deaths from Cancer in the United States and in each Grand Group, with distinction of.	XXXV	537-541	Age, Sex, and selected Nativities, and of Color, in 1000 deaths of Cancer of the Breast of persons of all known ages, Deaths from Cancer of the Breast in the United States and in certain Grand Groups, with distinction of.	XLVIII	625-627
Age (12), Approximate Table showing numbers surviving at each, for England and Wales, Massachusetts and New Jersey, as computed by Mr. Humphrey's method, with distinction of Sex.	LXV	789-791	Age, Sex, and selected Nativities, and of Color, in 1000 deaths of Cancer of the Liver of persons of all known ages, Deaths from Cancer of the Liver in the United States and in certain Grand Groups, with distinction of.	XLIX	620-631
Age, Color, and Sex, Deaths from Cancer in certain Grand Groups, with distinction of.	XXXVI	543-545	Age, Sex, and selected Nativities, and of Color, in 1000 deaths of Cancer of the Stomach of persons of all known ages, Deaths from Cancer of the Stomach in the United States and in certain Grand Groups, with distinction of.	XLVII	625-627
Age, Color, Sex, and Month of Death, and, in some cases, of Parentage, Total number of deaths from all causes registered in 31 large cities of the United States during the Census year, with distinction of.	XXII	441-473	Age, Sex, and specification of Occupation, Deaths from Cancer in the United States, with distinction of.	XLI	575-577
Age, Grand Groups, Sex, Color, Parentage, and Month of Death, Deaths from Diphtheria in the United States reported during the Census year, with exclusion of 50 selected cities (for names of cities see Introd., Part II, p. cvi), with distinction of.	XXXIII	495-517	Age, Sex, Color, Parentage, and Month of Death and Grand Groups, Deaths from Diphtheria for 50 selected cities (for names of cities see Introd., Part II, p. cvi), reported during the Census year, with distinction of.	XXXIV	510-535
Age, Nativity, and of Color in certain Grand Groups, Deaths from Cancer of the Uterus in the United States and in each Grand Group, with distinction of.	XLV	609-615	Age, Sex, Color, Parentage, and Month of Death, Deaths from certain specified diseases registered in 31 large cities of the United States (for names of cities see p. 441) during the Census year, with distinction of.	{ XXIII- XXXII	475-493
Age, Nativity, and Sex, Deaths from Cancer in the United States and in each Grand Group, with distinction of.	XXXVIII	551-559	Agas, certain groups of, Deaths from certain specified diseases and classes of diseases, with Month of Death, Sex, and.		
Age.—Number of deaths for certain Grand Groups, and the sum thereof, with distinction of Sex and Color, at each age and group of ages in 1000 deaths of which the ages are known.	XXI	437-439	Agas, known, Deaths in each 1000 deaths at, with distinction of Sex, by States and State Groups.	XIV	185-345
Age.—Number of deaths for certain Grand Groups, and the sum thereof, with distinction of Sex, and Irish and German parentage, at each age and group of ages in 1000 deaths of which the ages are known.	XX	433-435	Agas of living population.	XVII	375-385
Age, selected Nativities, and Color in 1000 deaths of Cancer of the Uterus of persons of all known ages, Deaths from Cancer of the Uterus in the United States and in certain Grand Groups, with distinction of.	L	629-631	Agas specified.—Population, Births, and number of Women from 15 to 49 years of age in the United States and in each Grand Group, with distinction of Sex and, in certain cases, of Color; ratios of Births to population, and also to women of the ages specified.	LIV	657-659
Age, Sex, and Cause, Deaths in each 1000 deaths at known ages, classified by.	XVI	365-373			

	Table.	Page.		Table.	Page.
Ages specified.—Population, Births, and number of Women from 15 to 40 years of age in the United States and in each State and State Group, with distinction of Sex and, in certain cases, of Color; ratios of Births to population, and also to women of the ages specified.	LV	664-668	Boston, Deaths in Massachusetts, exclusive of, reported by the registration system of the State; also those reported by the Census enumerators, with distinction of Sex, Age, and Month of Death.	LII	640-651
Ages, various, Mean After-Life Time (Expectation of Life) at, based upon the Mortality of England and Wales in 1870-'80, and of Massachusetts and New Jersey, during Census year.	LXVI	789-791	Breast, Deaths from Cancer of, in the United States and in certain Grand Groups, with distinction of Age, Sex, and selected Nativities, and of Color, in 1000 deaths of cancer of the breast of persons of all known ages.	XLVIII	625-627
Ages, with Sex at each period of life, of the aggregate population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LVII	673-689	Breast, Deaths from Cancer of, in the United States; and in each Grand Group, with distinction of Age, Sex, and Nativity, and of Color in certain Grand Groups.	XLIII	589-597
Ages, with Sex at each period of life, of the Colored population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LXI	743-757	Bronchitis as a cause of death.....	lxxxiii-lxxxv	771-788
Ages, with Sex at each period of life, of the Foreign-born White population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LX	727-741	Brooklyn.—Approximate Life Tables for Massachusetts, New Jersey, the District of Columbia, and for the cities of Baltimore, Boston, Brooklyn, Charleston, Chicago, Cincinnati, New Orleans, New York, Philadelphia, San Francisco, and Saint Louis.	LXIV	
Ages, with Sex at each period of life, of the Native White population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LIX	700-725	C.		
Ages, with Sex at each period of life, of the population of the United States, at the Census of 1880, in the aggregate, with Nativity and Race, with the numbers of certain ages and groups of ages in 100,000 of all ages and of each race.	LVI	669-671	Cancer as a cause of death.....	cxviii-cxxxi	547-549
Ages, with Sex at each period of life, of the White population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LVIII	691-707	Cancer, Deaths from, at each age and group of ages in 1000 deaths of each sex, of which the ages are known, in the United States and in each Grand Group, with distinction of Color in certain Grand Groups.	XXXVII	
Alcoholism and Venereal diseases as causes of death.....	lxxvi, lxxvii		Cancer, Deaths from, in certain Grand Groups, with distinction of Color, Sex, and Age.	XXXVI	543-545
Apoplexy and Paralysis as causes of death.....	lxxviii-lxxx		Cancer, Deaths from, in the United States and in each Grand Group of certain specified Nativities, at each age and group of ages in 1000 deaths from cancer of which the ages are known.	XXXIX	561-565
Approximate Life Tables for Massachusetts, New Jersey, the District of Columbia, and for the cities of Baltimore, Boston, Brooklyn, Charleston, Chicago, Cincinnati, New Orleans, New York, Philadelphia, San Francisco, and Saint Louis.	LXIV	771-788	Cancer, Deaths from, in the United States and in each Grand Group, with distinction of Age and Sex.	XXXV	537-541
Approximate Table showing numbers surviving at each age (12), for England and Wales, Massachusetts and New Jersey, as computed by Mr. Humphrey's Method, with distinction of Sex.	LXV	789-791	Cancer, Deaths from, in the United States and in each Grand Group, with distinction of Age, Sex, and Civil Condition.	XL	567-573
B.			Cancer, Deaths from, in the United States and in each Grand Group, with distinction of Nativity, Sex, and Age.	XXXVIII	551-559
Baltimore.—Approximate Life Tables for Massachusetts, New Jersey, the District of Columbia, and for the cities of Baltimore, Boston, Brooklyn, Charleston, Chicago, Cincinnati, New Orleans, New York, Philadelphia, Saint Louis, and San Francisco.	LXIV	771-788	Cancer, Deaths from, in the United States, with distinction of Sex, Age, and specification of Occupation.	XLI	575-577
Births, and Deaths in Infancy, with statement of ratios in the United States and in Grand Groups; also in States and State Groups, with distinction of Rural and Cities, and, in certain Grand Groups, of White and Colored.	LI	633-647	Cancer of Head, Face and Neck, Abdomen, Mouth, Tongue and Throat, Rectum, Upper Extremities, Lower Extremities, and other localities, Deaths from, with distinction of Color and Sex, and Cities and Rural Districts.	XLVI	617-623
Births, Birth Rates, and Life Tables.....	cxl-cl		Cancer of the Breast, Deaths from, in the United States and in certain Grand Groups, with distinction of Age, Sex, and selected Nativities, and of Color, in 1000 deaths of cancer of the breast of persons of all known ages.	XLVIII	625-627
Births, Deaths, and Population, with statement of Ratios, and Deaths from certain specified causes.	XIII	1-183	Cancer of the Breast, Deaths from, in the United States and in each Grand Group, with distinction of Age, Sex, and Nativity, and of Color in certain Grand Groups.	XLIII	589-597
Births, Population, and number of Women from 15 to 40 years of age, in the United States and in each Grand Group, with distinction of Sex, and, in certain cases, of Color; ratios of Births to population, and also to women of the ages specified.	LIV	657-659	Cancer of the Liver, Deaths from, in the United States and in certain Grand Groups, with distinction of Age, Sex, and selected Nativities, and of Color, in 1000 deaths of cancer of the liver of persons of all known ages.	XLIX	629-631
Births, Population, and number of Women from 15 to 49 years of age, in the United States and in each State and State Group, with distinction of Sex, and, in certain cases, of Color; ratios of Births to population, and also to women of the ages specified.	LV	661-668	Cancer of the Liver, Deaths from, in the United States and in each Grand Group, with distinction of Age, Sex, and Nativity, and of Color in certain Grand Groups.	XLIV	599-607
Bones and Joints, Diseases of the, as causes of Death.....	xcj, xcii		Cancer of the Stomach, Deaths from, in the United States and in certain Grand Groups, with distinction of Age, Sex, and selected Nativities, and of Color, in 1000 deaths of cancer of the stomach of persons of all known ages.	XLVII	625-627
Boston.—Approximate Life Tables for Massachusetts, New Jersey, the District of Columbia, and for the cities of Baltimore, Boston, Brooklyn, Charleston, Chicago, Cincinnati, New Orleans, New York, Philadelphia, Saint Louis, and San Francisco.	LXIV	771-788	Cancer of the Stomach, Deaths from, in the United States and in each Grand Group, with distinction of Age, Sex, and Nativity, and of Color in certain Grand Groups.	XLII	579-587
			Cancer of the Uterus, Deaths from, in the United States and in certain Grand Groups, with distinction of Age, selected Nativities, and Color, in 1000 deaths of cancer of the uterus of persons of all known ages.	L	629-631
			Cancer of the Uterus, Deaths from, in the United States and in each Grand Group, with distinction of Age and Nativity, and of Color in certain Grand Groups.	XLV	609-615
			Causes of death.....	xxvii-cxxxi	
			Accidents and Injuries.....	xcii-xciv

	Table.	Page.		Table.	Page.
Deaths from each cause in 1000 deaths of which the causes are known, with distinction of Sex.	XV	247-303	Diseases of the Nervous System as causes of death		lxxvi, lxxvii
Deaths in each 1000 deaths at known ages, classified by Age, Sex, and Cause.	XVI	365-373	Diseases of the Respiratory System as causes of death.....		lxxxii, lxxxliii
Deaths in each 1000 deaths at known ages, with distinction of Sex, by States and State Groups.	XVII	375-385	Diseases of the Urinary System and of the Male Organs of Generation as causes of death.		lxxxix, xc
Deaths in Infancy, and Births, with statement of ratios in the United States and in Grand Groups; also in States and State Groups, with distinction of Rural and Cities, and, in certain Grand Groups, of White and Colored.	LI	633-647	District of Columbia, Massachusetts, and New Jersey (Approximate Life Tables for), and for the cities of Baltimore, Boston, Brooklyn, Charleston, Chicago, Cincinnati, New Orleans, New York, Philadelphia, Saint Louis, and San Francisco.	LXIV	771-788
Deaths in Massachusetts, exclusive of Boston, reported by the registration system of the State, also those reported by the Census enumerators, with distinction of Sex, Age, and Month of Death.	LII	649-651	Districts, Rural, and Cities, and Color and Sex, Deaths from Cancer of Head, Face and Neck, Abdomen, Mouth, Tongue and Throat, Rectum, Upper Extremities, Lower Extremities, and other localities, with distinction of, Dropsy and Heart Disease as causes of death	XLVI	617-623
Deaths in New Jersey reported by the registration system of the State, also those reported by the Census enumerators, with distinction of Sex, Age, and Month of Death.	LIII	653-655			lxvii-lxix
Deaths in 100,000 deaths from all causes, and total number of deaths due to certain specified diseases, 1880, 1870, 1860, and 1850.	XIX	429-432	E.		
Deaths in the United States during the Census year from certain specified diseases and classes of diseases, by Grand Groups, with distinction of Month of Death, Sex, and certain groups of ages:	XIV	185-345	England and Wales, Approximate Table showing numbers surviving at each age (1x) for, and for Massachusetts and New Jersey, as computed by Mr. Humphrey's method, with distinction of Sex.	LXV	789-791
Grand Group 1.—North Atlantic Coast region.....		186-193	England and Wales in 1870-'80, and Massachusetts and New Jersey during Census year, Mean After-Life Time (Expectation of Life) at various ages, based upon the Mortality of.	LXVI	789-791
2.—Middle Atlantic Coast region.....		192-201	Enteric or Typhoid Fever as a cause of death		xxxii- xxxv
3.—South Atlantic Coast region.....		200-209	Erysipelas as a cause of death		lvii, lviii
4.—Gulf Coast region.....		208-217	Expectation of Life (Mean After-Life Time) at various ages, based upon the Mortality of England and Wales in 1878-'80, and of Massachusetts and New Jersey during Census Year.	LXVI	789-791
5.—Northeastern Hills and Plateaus.....		216-223	Extremities, Upper, Lower Extremities, Head, Face and Neck, Abdomen, Mouth, Tongue and Throat, Rectum, and other localities, Deaths from Cancer of, with distinction of Color and Sex, and Cities and Rural Districts.	XLVI	617-623
6.—Central Appalachian region.....		224-231			
7.—Region of the Great Northern Lakes.....		230-239	F.		
8.—The Interior Plateau.....		238-247	Face and Neck, Head, Abdomen, Mouth, Tongue and Throat, Rectum, Upper Extremities, Lower Extremities, and other localities, Deaths from Cancer of, with distinction of Color and Sex, and Cities and Rural Districts.	XLVI	617-623
9.—Southern Central Appalachian region.....		246-255	Female Organs of Generation, Diseases of, as causes of death.		xc, xci
10.—The Ohio River Belt.....		254-263	Fever, Enteric or Typhoid, as a cause of death		xxxli- xxxv
11.—Southern Interior Plateau.....		262-271	Fever, Scarlet, as a cause of death		xxix- xxxii
12.—South Mississippi River Belt.....		270-277	Fevers, Malarial, as causes of death		xxxv- xxxviii
13.—North Mississippi River Belt.....		278-285	Foreign-born White Population of the United States, Ages, with Sex at each period of life of, at Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LX	727-741
14.—Southwest Central region.....		284-293			
15.—Central region, plains and prairies.....		292-301	G.		
16.—The Prairie region.....		300-309	Generation, Diseases of Female Organs of, as causes of death.		xc, xci
17.—Missouri River Belt.....		308-315	Generation, Diseases of Male Organs of, and of the Urinary System, as causes of death.		lxxxix, xc
18.—Region of the Western Plains.....		316-323	German and Irish parentage, at each age and group of ages in 1000 deaths of which the ages are known, Number of deaths for certain Grand Groups and the sum thereof, with distinction of Sex and of.	XX	433-435
19.—Heavily-timbered region of the Northwest.		322-320	Grand Groups, Color in certain, and Age, Sex, and Nativity, Deaths from Cancer in the United States, and in each Grand Group, with distinction of.	XLII	579-587
20.—Cordilleran region.....		330-337	Grand Groups, Color in certain, and Age, Sex, and Nativity, Deaths from Cancer of the Breast in the United States, and in each Grand Group, with distinction of.	XLIII	580-597
21.—Pacific Coast region.....		336-345	Grand Groups, Color in certain, and Age, Sex, and Nativity, Deaths from Cancer of the Liver in the United States and in each Grand Group, with distinction of.	XLIV	599-607
Deaths, Number of, for certain Grand Groups, and the sum thereof, with distinction of Sex and Color, at each age and group of ages in 1000 deaths of which the ages are known.	XXI	437-439			
Deaths, Number of, from each reported cause of death, by States, State Groups, and selected Cities.	XVIII	387-421			
Deaths, Total number of, reported as due to certain specified diseases and classes of diseases, and number of deaths from each cause in 100,000 deaths from all causes at the Censuses of 1880, 1870, 1860, and 1850.	XIX	429-432			
Diarrhoeal diseases as causes of death.....		xlii-l			
Digestive System, Diseases of, as causes of death.....		lxxvi- lxxxviii			
Diphtheria and Croup as causes of death		xxxviii- xlv			
Diphtheria, Deaths from, for 50 selected cities (for names of cities see Introd., Part II, p. cvi) reported during the Census year with distinction of Grand Groups, and of Sex, Age, Color, Parentage, and Month of Death.	XXXIV	519-535			
Diphtheria, Deaths from, in the United States reported during the Census year, with exclusion of 50 selected cities (for names of cities see Introd., Part II, p. cvi), with distinction of Grand Groups, Sex, Age, Color, Parentage, and Month of Death.	XXXIII	495-517			
Diseases of the Bones and Joints as causes of death.....		xc, xcii			
Diseases of the Digestive System as causes of death		lxxvi- lxxxviii			
Diseases of the Female Organs of Generation as causes of death.		xc, xci			

	Table.	Page.		Table.	Page.
Grand Groups, Color in certain, and Age and Nativity, Deaths from Cancer of the Uterus in the United States and in each Grand Group, with distinction of.	XLV	609-615	Groups of Ages.—Ages, with Sex at each period of life, of the Foreign-born White population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LX	727-741
Grand Groups, Deaths from Cancer in certain, with distinction of Color, Sex, and Age.	XXXVI	543-545	Groups of Ages.—Ages, with Sex at each period of life, of the Native White population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LIX	709-725
Grand Groups, Deaths from Cancer in each, and in the United States, with distinction of Age and Sex.	XXXV	537-541	Groups of Ages.—Ages, with Sex, at each period of life, of the population of the United States, at the Census of 1880, in the aggregate, with Nativity and Race, with the number of certain ages and groups of ages in 100,000 of all ages and of each race.	LVI	680-671
Grand Groups.—Deaths from Cancer in the United States and in each Grand Group of certain specified Nativities at each age and group of ages in 1000 deaths from cancer of which the ages are known.	XXXIX	561-565	Groups of Ages.—Ages, with Sex, at each period of life, of the White population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LVIII	691-707
Grand Groups.—Deaths from Cancer in the United States and in each Grand Group, with distinction of Age, Sex, and Civil Condition.	XL	567-573	Groups of Ages.—Population of the United States and of each State and Territory by Sex, with the number per 1000 of each sex at certain ages and groups of ages.	LXIII	765-760
Grand Groups.—Deaths from Cancer in the United States and in each Grand Group, with distinction of Nativity, Sex, and Age.	XXXVIII	551-559			
Grand Groups, Deaths from Cancer of the Breast in the United States and in certain, with distinction of Age, Sex, and selected Nativities, and of Color, in 1000 deaths of cancer of the breast of persons of all known ages.	XLVIII	625-627	II.		
Grand Groups, Deaths from Cancer of the Liver in the United States and in certain, with distinction of Age, Sex, and selected Nativities, and of Color, in 1000 deaths of cancer of the liver of persons of all known ages.	XLIX	620-631	Head, Face and Neck, Abdomen, Mouth, Tongue and Throat, Rectum, Upper Extremities, Lower Extremities, and other localities, Deaths from Cancer of, with distinction of Color and Sex, and Cities and Rural Districts.	XLVI	617-623
Grand Groups, Deaths from Cancer of the Stomach in the United States and in certain, with distinction of Age, Sex, and selected Nativities, and of Color, in 1000 deaths of cancer of the stomach of persons of all known ages.	XLVII	625-627	Heart Disease and Dropsy as causes of death		lxvii-lxix
Grand Groups, Deaths from Cancer of the Uterus in the United States and in certain, with distinction of Age, selected Nativities, and Color, in 1000 deaths of cancer of the uterus of persons of all known ages.	L	620-631	Hooping-cough as a cause of death		li-liv
Grand Groups, Number of deaths for certain, and the sum thereof, with distinction of Sex and Color, at each age and group of ages in 1000 deaths of which the ages are known.	XXI	437-439	Humphrey's method, Approximate Table showing numbers surviving at each age (<i>lx</i>) for England and Wales, Massachusetts and New Jersey, as computed by, with distinction of Sex.	LXV	733-791
Grand Groups, Number of deaths for certain, and the sum thereof, with distinction of Sex, and Irish and German parentage, at each age and group of ages in 1000 deaths of which the ages are known.	XX	433-435	Hydrophobia as a cause of death		cxviii, cxvix
Grand Groups.—Population, Births, and number of Women from 15 to 49 years of age, in the United States and in each Grand Group, with distinction of Sex and, in certain cases, of Color, ratios of Births to population, and also to women of the ages specified.	LIV	657-659	I.		
Grand Groups, Population of, specified by Age, Sex, and Color.	LXII	759-763	Infancy, Deaths in, and Births, with statement of ratios in the United States and in Grand Groups; also in States and State Groups, with distinction of Rural and Cities, and, in certain Grand Groups, of White and Colored.	LI	633-647
Grand Groups, ratios in, and in the United States, Births, and Deaths in Infancy, with statement of; also, in States and State Groups, with distinction of Rural and Cities, and, in certain Grand Groups, of White and Colored.	LI	633-647	Injuries and Accidents as causes of death		xcii-xciv
Grand Groups, Sex, Age, Color, Parentage, and Month of Death, Deaths from Diphtheria for 50 selected cities (for names of cities see Introd., Part II, p. cvi) reported during the Census year, with distinction of.	XXXIV	519-535	Irish and German parentage, at each age and group of ages in 1000 deaths of which the ages are known, Number of deaths for certain Grand Groups, and the sum thereof, with distinction of Sex and of.	XX	433-435
Grand Groups, Sex, Age, Color, Parentage, and Month of Death, Deaths from Diphtheria in the United States reported during the Census year, with exclusion of 50 selected cities (for names of cities see Introd., Part II, p. cvi), with distinction of.	XXXIII	495-517	J.		
Grand Groups, with distinction of Color in certain, Deaths at each age and group of ages in 1000 deaths of each sex from Cancer, of which the ages are known, in the United States and in each Grand Group.	XXXVII	547-549	Joints and Bones, Diseases of the, as causes of death		xc, xcii
Groups of Ages.—Ages, with Sex at each period of life, of the aggregate population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LVII	673-689	L.		
Groups of Ages.—Ages, with Sex at each period of life, of the Colored population of the United States, at the Census of 1880, with the number of certain ages and groups of ages in 100,000 of all ages, by States and Territories.	LXI	743-757	Life Tables, Approximate, for Massachusetts, New Jersey, the District of Columbia, and for the cities of Baltimore, Boston, Brooklyn, Charleston, Chicago, Cincinnati, New Orleans, New York, Philadelphia, Saint Louis, and San Francisco.
